Response to Notice of Non-Compliant Amendment "B"

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

The following is in response to a Notice of Non-Compliant Amendment from the Examiner mailed 7-19-05, indicating that a previous response faxed from the applicant on 6- 7-05, 2005, contained a blurred/mis-faxed page. The miscommunicated section essentially comprised the entire response, the amended claims. As such, all of the following from the conclusion of this bold-faced, italicized paragraph is the original faxed text of the original response of 6- 7-05, which has now been mailed on 8-17-05 to ensure accurate transmittal of the original faxed response.

In response to the Office Letter mailed 7/19/2005, please amend the above application as follows:

- ☐ CLAIMS: Amendments to the claims begin on page 2 of this response. The amended claims were objected to as not adhering to the format required by 37 CFR 1.121. Specifically, applicant used the improper status identifier "Amended", when the proper format of the status identifier for those claims should be "Currently amended". Additionally, applicant used all capitals in the status identifiers of Amendment B. For consistency and to ensure compliance, only the first letters of all status identifiers are now capitalized. Appropriate corrections have been made to the claims, and thus are now respectfully re-submitted in corrected form. Additionally, a clean set of claims is attached as Appendix A of this response.
